

## Volunteer Interests

### Technology

Help with scanning photographs, making YouTube videos, and finding ways to integrate technology into exhibits.

### Garden Maintenance

Weed and maintain the garden throughout the growing season.

### Index

Create/type up an index for newsletters, museum library, and newspapers.

### Events

Greet the public, set up, or take down at event/s such as the Corn Carnival, New Years Open House, Annual meeting etc.

### Inventory/Organization

Help organize and inventory the museum's collections and storage.

### Research Project

Collect research on the topic of your choice for our archives. Research can also include oral histories, making maps of Cokato through the decades, or doing the From Our Files for the Enterprise-Dispatch, by gathering information from the newspaper from 25 and 50 years ago.

### Newsletters

Research and write an article about Cokato, the local area, and its people.

### Program Planning

Volunteers with education experience can help with planning programs for children or adults.

### Exhibit Construction

Help with projects that include designing new exhibits, updating current exhibits, and decorating gallery for holiday.

### Other/Specific Interests
